# Discover Your Potential

BURLINGTON COUNTY  
INSTITUTE OF TECHNOLOGY

"My son, Liam Doherty graduated a year ahead of schedule from BCIT. While he was there he also earned an Associate's degree in math at Rowan College Burlington County (RCBC). Then he spent 2 years at Rowan University, where he earned a BS in math. He's now begun his PhD program in math at Drexel University. He's 19. Most of this would not have been possible without BCIT presenting him with opportunities and options. So happy he decided on BCIT for high school."

-Ed Doherty, BCIT Parent

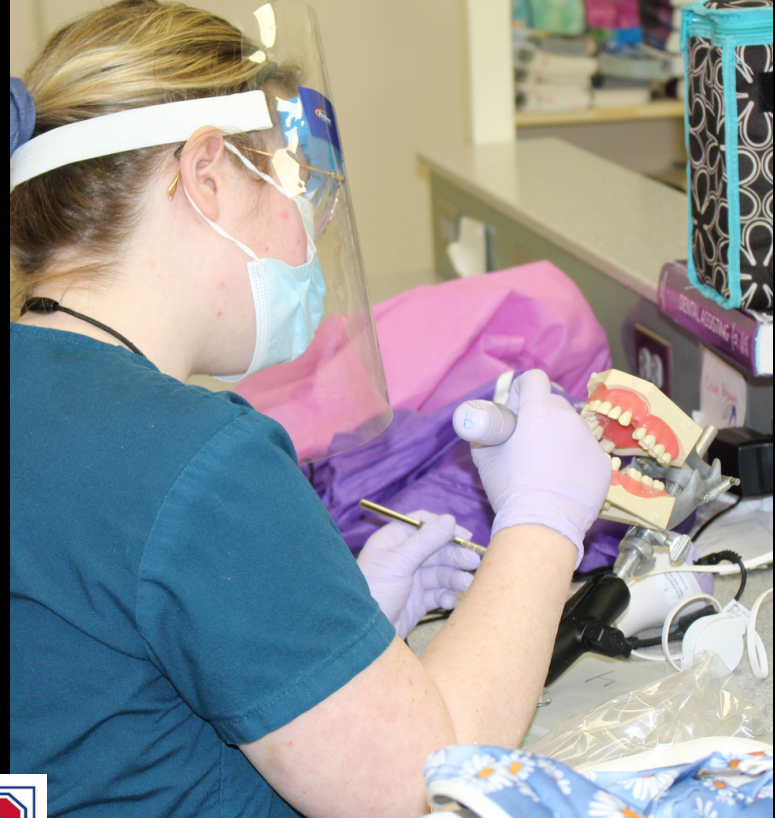

- Engaged in academic partnerships with RCBC for dual credit and College Accelerated Programs (CAP)
- Participation in School to Work programs are a major focus and unpaid internships are seeing a rise in opportunities for extended employment
- Initiated a program to support student health and wellbeing 24/7 through a health support hotline
- BCIT was **named by the NJDOE as a Lighthouse District for Equity**
- Creation and adoption of the Equity Champions dedicated to the mission of focusing on equity & diversity in our schools
- Created a robust website to support District's focus on Equity and Diversity and ADA compliance
- Turn-keyed Equity & Diversity professional development training to staff
- Created the Hall of Fame for Lifetime Achievement to recognize the outstanding contributions of the alumni and community members
- Host to National Apprenticeship and Career Day Expo

# BURLINGTON COUNTY INSTITUTE OF TECHNOLOGY

BCIT was named a 2021-2022 Lighthouse School District! Lighthouse awardees show strong improvement because they engage their educational community and use data to individualize support. This award recognizes the hard work of all stakeholders in the school district community including district and school leaders, teachers, students, parents, and school community members.

- Ongoing press coverage to address best practices, student and staff accomplishments, and district innovations
- ALICE Training for all administrators on emergency responses within buildings
- Hosted the SkillsUSA welding competitions
- **Adult Ed Middle States Accreditation** obtained and Federal Financial Aid now available for certain programs
- All curricula are scheduled for ongoing revisions in a cycle to assure compliance, relevancy, and up to date content
- Committed to being a Stigma-Free District
- Largest new student admissions in years
- Promotion of nationally recognized speakers with relevant and timely messages for staff and students - Damon West and the *Coffee Bean Book*
- Promotion of Alumni to return back and tell their stories about how BCIT set them up for their success.
- Theatre Arts Academy continues to be recognized annually earning Foxy Awards among other individual and program recognitions
- Community outreach now includes visitations to schools and local community days
- Program Advisory Committee members now exceed 600 businessmen and women
