Dear Class of 2020 Senior:

As we approach the end of the 2019-2020 school year, I would like to take this opportunity to offer my highest level of praise and gratitude for your on-going commitment to achieve academic and personal success as you worked together with your classmates to travel into uncharted territory as you faced the COVID-19 pandemic and our district closure. The challenging times you have encountered during the latter months of your scholarly career at BCIT have been very emotional for each and every one of you and yet through it all, you have risen to the top of the mountain to accomplish this very important milestone in your life. As the Assistant Superintendent of Curriculum and Instruction, I would like to commend you on your perseverance and courageous efforts to manage all of your responsibilities at school in your remote classrooms, at home and at work, as well as within the many other areas that you encounter during your day to day personal life. Remember, you are strong and you have succeeded! You are driven, and you have conquered! Enjoy the moment!

The following information is a list of key dates to remember as you approach June 2020 and your graduation from BCIT:
