Dear Burlington County Schools,

Your school district is invited to attend the *2021 Burlington County Teen Arts Festival* which will be entirely virtual. The Teen Arts Festival will take place during the week of May 25 – 28, with each day featuring different artistic disciplines and workshops. It is a wonderful opportunity to showcase the talented students in Burlington County and give them an opportunity to participate in workshops conducted by professionals in their respective fields. The annual participation fee for the Teen Arts Festival has been waived this year.

Please read the instructions carefully, as the registration and participation process has changed this year.

#### Registration Instructions:
