

SET YOUR NAME IN STONE

Buy a Brick at BCIT and Help Build the Pathway to Our Students' Futures!

The BCIT foundation offers engraved bricks so students and staff members can leave visible and long-standing marks at either campus. Engraved bricks can mark a memory, honor a loved one, or commemorate a special occasion.

Buy a Brick!

- Submit your brick order anytime. It will be combined with other pending orders for production.
- Ordering more than one brick? Complete each order on a separate form. Duplicates are available online.
- You will receive a letter verifying that a portion of the cost is tax deductible.

Not interested in a Brick?

- You don't have to buy a brick to support the cause. Use the order form to make a tax-deductible donation to the BCIT Foundation.
