Dear Parent(s)/Guardian(s),

Pursuant to N.J.S.A. 18A:7C-6.6, beginning in Fall 2016 school districts must, by October 1, provide parents or guardians specific information on any State assessment or commercially-developed standardized assessment that may be administered to your child during the school year. It is important to note that all students may not be administered all assessments. Listed below is a proposed testing calendar for the 2023-2024 school year that meets all the criteria of planned assessments that our district will be implementing over the next school year. Certain testing dates may need to be adjusted related to unforeseen schedule changes.
