July 2018

Staff Members,

It is with great enthusiasm that as of July 1, 2018, I will be joining the Adult Education Division Team in the role of Assistant Principal of Adult Education at The Burlington County Institute of Technology. As a life-long resident of Burlington County, I come to you having served in prior roles within the district, at the BCIT-Medford Campus. I was hired in April of 2006 as a Health and Physical Education Teacher. From 2006 until 2016 I also served in various roles such as Assistant Girls and Boys Basketball Coach and Assistant Boys Soccer Coach. I also was the Head Baseball Coach and Head Teacher for the Health and Physical Education Department. In August of 2015, I was appointed interim Assistant Principal/Athletic Director at BCIT-Medford. Ultimately, I was hired in January of 2016 as the full time Assistant Principal/Athletic Director at BCIT-Medford until I was transferred into my current role as the Assistant Principal of Adult Education.

Our Adult Education staff is currently looking forward to and in the process of preparing for another school year. It was a pleasure meeting some of you at the recent Adult Education graduation, and I am looking forward to meeting everyone else this upcoming year. This year, we will continue to build upon the foundation that has been established by the Adult Education Staff. A few areas of focus that we will be implementing and refining will be technology based such as: Google Drive (docs, sheets, etc.), student accountability and documentation, fiscal operations, specific policies and procedures and overall organization. I am looking forward to a very positive and productive year as we all work together to achieve our common goals of creating skill development opportunities for our students and helping them obtain careers of their choice. We will be having a staff meeting prior to the start of classes, that date/time is TBD. Please feel free to stop by the office or contact me during the summer if you have any questions or would like to meet.

Sincerely,

Jesse Pappler
