July 2018

Dear Students,

It is with great enthusiasm that as of July 1, 2018, I will be joining the Adult Education Division Team in the role of Assistant Principal of Adult Education at The Burlington County Institute of Technology. As a life-long resident of Burlington County, I come to you having served in prior roles within the district, at the BCIT-Medford Campus. I was hired in April of 2006 as a Health and Physical Education Teacher. From 2006 until 2016 I also served in various roles such as Assistant Girls and Boys Basketball Coach and Assistant Boys Soccer Coach. I also was the Head Baseball Coach and Head Teacher for the Health and Physical Education Department. In August of 2015, I was appointed interim Assistant Principal/Athletic Director at BCIT-Medford. Ultimately, I was hired in January of 2016 as the full time Assistant Principal/Athletic Director at BCIT-Medford until I was transferred into my current role as the Assistant Principal of Adult Education.

Our Adult Education staff is currently looking forward to and in the process of preparing for another school year. I would like to personally thank you for choosing the Burlington County Institute of Technology Adult Education Division for your continuing education. It is our hope that you will find this year challenging, exciting, and rewarding. The Adult Education staff will be happy to assist you in any way needed for you to be successful. Your success here at BCIT Adult Education will depend upon your development as a student and the practice of regular attendance.

More specific information will be provided for you at a later date such as various summer meeting dates for certain programs. We will also be having a mandatory student orientation meeting later in the summer, that date is TBD. The purpose of this orientation will be to review the student handbook, various policies and procedures, and your responsibilities as a BCIT Adult Education student.

Sincerely,

Jesse Pappler
