GUIDELINES FOR ADULT COSMETOLOGY PROGRAM

The following rules, regulations, and guidelines are applicable to all adult students attending Burlington County Institute of Technology. Moreover, they are designed to have you better understand what you may or may NOT do under a variety of circumstances. (Academic failure, disrespectful attitude toward instructors, school professionals, clients or fellow classmates, improper personal or professional conduct, absenteeism or tardiness, inability to cope with requirements and demands of program, refusal to participate in all class/clinic activity, unethical and dishonest behavior will result in removal from program.)

Daytime Cosmetology classes begin sharply at 8:00 a.m. Monday through Thursday and ends at 4:00 p.m. for the full time program. Dates, times and meeting places are subject to change.

Students are to report to their assigned area immediately upon arrival to class. **Class hours are accrued when you are at your station and prepared to work as per instructor-mandated criteria.**

1. Attendance is very important in any program at BCIT, but it has increased importance due to the nature and structure of the cosmetology program. Each module has a **mandatory attendance** requirement of **250 hours for successful completion and at least 1,000 hours for the entire program.** All trips are mandatory and included in cosmetology hours. Students who do not attend educational trips will lose those class hours.
2. Students must satisfy attendance requirements and demonstrate proficiency in each module with a **76% or more** to advance to the next module.
3. Safety is an important factor in all our programs at BCIT. Observe ALL safety rules, regulations and procedures while you participate in the cosmetology program (i.e. use of chemicals, self-administered allergy test, hot objects, hair coloring, eye and skin protection).
4. There are many aspects of success in the cosmetology program. Please remember to be a professional you need to look professional. Students must wear a uniform while in the cosmetology program at BCIT. Uniform consists of black scrubs and students may wear a black, gray or white shirt under their scrubs. Students must wear only black leather sneakers or black leather shoes with no skid bottoms.
5. Lateness to class will result in a loss of hours. All classroom doors will be closed at the start time of the program. Students who fail to get to class at the appropriate time will not be allowed to enter the classroom until the instructor provides a classroom break. Students will not receive class hours for time lost. Signing in and out for class is important and will be monitored. All students must sign in at the beginning of class and

sign out at the end of class. Do not sign in or out for other students. Any student who leaves class more than once or leaves without the instructor's knowledge will be given a written warning.

6. Any student found signing in or signing out for another student will receive a written warning. Two (2) written warnings of this rule will result in recommendation for dismissal from the program. **Attendance records are legal documents and any false information provided can be cause for legal action.**

7. **FOOD AND BEVERAGES ARE NOT PERMITTED** in any classroom or shop **AT ANY TIME**. Foods and/or beverages may be consumed in the designated area and times.

8. Each student is responsible for safety related to him/her, clients, and all aspects of the program.

9. Each student is required to purchase and maintain a complete kit and textbooks, and to wear the assigned uniform daily/nightly. Students without complete kits and uniforms are unprepared and will be dismissed from class until properly prepared.

10. Students must report any damage or missing items from kit/textbooks to the instructor once the kit is opened and contents have been checked, to receive a replacement.

11. **NO HOURS WILL BE CERTIFIED UNTIL ALL COURSE WORK IS COMPLETED.** Course work starts the first day of class and ends the last day of class. Tests, quizzes and written course work are school property. Make-up tests and quizzes will cover the same material but in a different format. Students will be responsible for obtaining missed theory and practical instruction. Make-up hours will be at the student's expense at the Board of Education approved rate and the availability of the instructor.

12. Successful completion of New Jersey State Board mandated cosmetology procedures and techniques are required for each module in order for a student to advance to the next module and complete the program.

13. Guests and/or children are **NOT PERMITTED** in the school at any time. Scheduled guests must obtain a visitor's pass at the Adult Education Main office before entering classrooms.

14. Clinical services are permitted on clients 10 years of age or older.

15. Theft of any kind will not be tolerated and will result in recommendation for immediate dismissal from the program.

16. Students involved in mass testing are hereby notified that the Board of Cosmetology Exam results will be forwarded to the school of attendance (BCIT) and the New Jersey Department of Education.

17. All students will act as models for fellow classmates for hands on skills.
18. Students concentrating on Barber Skills will be required to provide six (6) models to practice Barber techniques. Students may be required to supply additional models for hands –on procedures throughout the program.
19. Any students who do not comply with the rules referred to in this handbook will be subject to loss of hours and/or recommendation for dismissal from the program.
20. You will be required to sign a copy of this document for our records.
21. Students who do not meet the 76% required by the State Board of Cosmetology at the conclusion of each of the four (4) modules and program total will not qualify to have their application and verification of hours and grades signed for processing. Students who achieve lower than 76%, but higher than 70%, will receive a BCIT certificate of completion.

We wish you success while at BCIT and hope you find your experience at BCIT rewarding.

The guidelines for the Cosmetology Program are established by the NJ State Board of Cosmetology and Hairstyling. Therefore, in the event that there are differences in Burlington County Institute of Technology student regulations and/or requirements, be advised that the regulations and/or requirements established by the NJ State Board of Cosmetology and Hairstyling prevail.

ACCIDENTS

All accidents should be reported immediately to an Instructor. Prompt medical care could prevent serious complications, and failure to report an accident may nullify insurance coverage.

ADULT STUDENTS WITH DISABILITIES

BCIT will accommodate adult students with disabilities who can document their disability. The student must do the following:

- Disclose to the administration or their teacher, **within the first week of classes**, that they have a disability that affects their learning.
- Show documentation that they have a disability (example: Last IEP or ADA/504 Accommodation Plan).
- Schedule a time to discuss their disability and what reasonable accommodation(s) they may need.

Once the district has documentation of an adult student's disability, an Adult Education supervisor will meet with the student, and if requested by the student, create an ADA/504 Accommodation Plan. Under the ADA, institutions of higher learning are to provide reasonable accommodations. Adult students with a disability will not receive an Individual Educational Program (IEP). Nor will they receive the same services they received under the Individual's with Disabilities Education Act (IDEA) with an IEP. You may receive reasonable accommodations after consultations with the instructor(s) and the designated Adult Education supervisor.

AFFIRMATIVE ACTION PROGRAM

The Board of Education of the Burlington County Institute of Technology School District affirms its policy to ensure equal educational opportunities for all students and to prohibit discrimination because of gender, race, color, creed, religion, ancestry, disability, marital status, sexual orientation, social or economic status, HIV or Aids in the education programs and activities not limited to but including course offerings, athletic programs, guidance and counseling tests and procedures, extra curricular and co-curricular activities through an affirmative action program which shall be an integral part of every aspect of educational policies and programs to the maximum extent possible.

Inquiries regarding compliance and handling of complaints should be directed to Dr. Ashanti Holley, Assistant Superintendent the Affirmative Action Officer at (609) 267-4226 ext. 4607 or aholley@burlicoschools.org

ATTENDANCE

While BCIT recommends 100% attendance for students to get the most benefit from their courses, the policy requires non-licensed program students to be present 85% of the time. All licensed program students must meet individual program attendance requirements.

Three (3) latenesses to any class constitutes one (1) absence. If you leave a class early, it will be considered the same as lateness. Attendance credit is awarded for hours of instruction attended.

Program meeting times, dates, and location are subject to change without prior notice.

CHANGE OF ADDRESS

It is the responsibility of each student to notify the Burlington County Institute of Technology's Adult Education Office immediately of any change in his/her address and/or telephone number.

CAREER COUNSELING

Instructors can provide students with information about job opportunities and careers within their respective fields, upon request.

DANGEROUS INSTRUMENTS AND WEAPONS

Any person found on school property with an instrument that has the potential to be used as a weapon, e.g., knife, gun, razor, club, brass knuckles, chain, etc. must be reported immediately to security and/or administration. The security and/or administrator or designee will confiscate the instrument/weapon and may report the incident to police. Any incident involving a gun will be reported to the police immediately.

If, in the opinion of the Division Head or Designee, the possession of said instruments/weapon represents a potentially threatening situation to the student, other students, and/or school property, the Division Head or Designee will report the incident to the police. Any incident involving a gun will be reported to the police immediately.

DISCIPLINE POLICY

Teachers and administrators have a responsibility to all students who attend the Burlington County Institute of Technology, to maintain a positive atmosphere that is conducive to learning at all times.

Students who are sent out of class are to report immediately to the Adult Education Office where appropriate action will be taken. Failure to report to the office when directed is cause for administrative action. Students who disrupt the learning environment, or violate school rules or laws are subject to school disciplinary action. Disciplinary action may include counseling, loss of privileges, permanent removal from

class, or expulsion from Burlington County Institute of Technology. All pertinent information will be considered when disciplinary action is taken. New Jersey school law gives school officials the right to take disciplinary action to ensure appropriate school behavior by students.

Students should understand that any and all misbehavior will **not** be tolerated. Burlington County Institute of Technology is committed to providing a safe, quality learning environment.

DRIVING AND PARKING

Adult students are to park in the designated areas for students. **No** student is to park anywhere but the designated parking areas without written permission. Students are expected to observe all posted speed limits leaving parking areas and on the approach to school. **Reckless driving or unsafe operation of a motor vehicle on school property may be cause for revocation of driving privileges.**

DRUGS AND ALCOHOL

The Board of Education at Burlington County Institute of Technology recognizes that drug and alcohol abuse presents a growing problem in society. Schools play a vital role in the effort of the community to control this problem. The Board recognizes that an educational and therapeutic approach to the problem is more effective than one which is solely punitive in nature.

Drug and alcohol use or abuse interferes with the teaching/learning process and poses a serious safety hazard. Therefore, the use, possession, or sale of any type or quantity of drug, drug paraphernalia, or alcoholic beverage by students is strictly prohibited at Burlington County Institute of Technology for any school function.

For purposes of this policy “drugs” shall mean:

- A. All dangerous controlled substances as so designated and prohibited in New Jersey statutes; all chemicals which release toxic vapors as defined and prohibited in New Jersey statutes; all chemicals which release toxic vapors as defined and prohibited in New Jersey statutes
- B. All alcoholic beverages
- C. Any prescription drug, except those for which permission for use in school has been granted pursuant to board policy
- D. Any drug, drug paraphernalia, or substances represented as a controlled dangerous substance, or those substances appearing to be controlled dangerous substances as prohibited by law.
- E. Any anabolic steroids.

DISTRICT REGULATIONS ON DRUG AND ALCOHOL ABUSE

A. Staff and Administrative Procedures

Police may be notified of pupils in possession of items outlined above, and pupils may be charged with violations of criminal law; said items may be turned over to the police.

B. Medical Aspects

New Jersey Statute 18A:40-4.1 (an act to provide for medical examination of school pupils) will be invoked for those pupils who may be under the influence of drugs or certain toxic chemical compounds. In addition, any student in possession of drugs or certain chemical compounds may be subject to the same type of medical examination as noted in New Jersey Statute 18A:40-4.1

C. Due Process Procedures and Sanctions

In case of possible substance abuse or illegal possession, all applicable student due process rights will be observed. Any student who is suspected of possession or being under the influence of drugs or certain intoxicating chemical compounds can be subject to an interrogation and/or search by school officials, as well as a mandatory drug test. Disciplinary action for students who are determined to be under the influence or in possession of drugs or certain intoxicating chemical compounds will be decided according to district policy.

Any pupil caught selling, distributing, or in possession with intent to distribute drugs or certain intoxicating chemical compounds on school grounds or at a school function will be suspended from school. A recommendation for expulsion will be made to the Board of Education. The police will be contacted to investigate the incident.

DRESS CODE

Any instructor, with administrative approval, may specify dress in any program, which requires a uniform. The following code applies to all programs.

Students are urged to emulate the dress code of successful adults in the occupation for which they are preparing. All students are required to dress in a manner that reflects good taste, modesty, and appropriateness for the type of vocational program in which the student is enrolled. Choice of garments should be made according to the health, safety, and welfare of all students. Requirements in this regard are for the purpose of instilling in each student the habit of wearing proper school attire.

1. Clothing and accessories containing inappropriate pictures or word (examples include references to alcohol, drugs, sex, or words/phrases with double meaning) are not to be worn as school attire.
2. Bare feet or thin, one-layer shoes (examples include bedroom slippers, “shower” slippers, or flip-flops) are not permitted due to safety reasons.

3. Students with cell phones are to have them turned off or on vibrate while attending class. Ring tones are a classroom distraction.
4. Hats, hoods, picks, and other head coverings may not be worn in the building.
5. Sunglasses or glasses with dark lenses may not be worn in the building without a doctor's recommendation.
6. Outer garments may not be worn in the building after class begins.

The administration retains the authority to determine if a clothing item or accessory not specifically covered in this dress code is appropriate for school attire.

Any student in violation of the dress code will be sent home to obtain suitable attire. In the Cosmetology Program, the appropriate uniform is black scrubs and black leather shoes or black leather sneakers with no skid bottoms. In addition, violations of the above code may be treated as a disciplinary violation and be subject to disciplinary procedures.
