ACCIDENTS

All accidents should be reported immediately to an Instructor. Prompt medical care could prevent serious complications, and failure to report an accident may nullify insurance coverage. Please note that affiliating clinical sites will not be responsible for accidents or illnesses that occur during clinical rotations. A student may be required to present a doctor's note clearing them to return to school.

ADULT STUDENTS WITH DISABILITIES

BCIT to the best of their ability will try to accommodate adult students with disabilities who can document their disability. The student must do the following:

- Disclose to the administration or their teacher, **within the first week of classes**, that they have a disability that affects their learning.
- Show documentation that they have a disability (example: Last IEP or ADA/504 Accommodation Plan).
- Schedule a time to discuss their disability and what reasonable accommodation(s) they may need.

Once the district has documentation of an adult student's disability, an Adult Education administrator will meet with the student, and if requested by the student, create an ADA/504 Accommodation Plan. Under the ADA, institutions of higher learning are to provide reasonable accommodations. Adult students with a disability will not receive an Individual Educational Program (IEP). Nor will they receive the same services they received under the Individual's with Disabilities Education Act (IDEA) with an IEP. You may receive reasonable accommodations after consultations with the designated Adult Education administrator.

AFFIRMATIVE ACTION PROGRAM

The Board of Education of the Burlington County Institute of Technology School District affirms its policy to ensure equal educational opportunities for all students and to prohibit discrimination because of gender, race, color, creed, religion, ancestry, disability, marital status, sexual orientation, social or economic status, HIV or Aids in the education programs and activities not limited to but including course offerings, athletic programs, guidance and counseling tests and procedures, extracurricular and co-curricular activities through an affirmative action program which shall be an integral part of every aspect of educational policies and programs to the maximum extent possible.

Inquiries regarding compliance may be directed to:

Affirmative Action Officer

Mr. Eder Joseph
2 Academy Drive
Westampton, NJ 08060
609-267-4226 Ext. 8686 / ejoseph@burlcoshools.org

The Affirmative Action Officer (AAO) will be the recipient of all complaints which allege discrimination under any of the categories denoted above. Anyone who believes they have been discriminated against should report the fact promptly to the Affirmative Action Officer. District policy and procedures on discrimination and sexual harassment are available at <https://www.bcit.cc/Page/10178> for filing a complaint/grievance.

ATTENDANCE

While BCIT recommends 100% attendance for students to get the most benefit from their courses, the policy requires non-licensed program students to be present 85% of the time. All licensed program students must meet individual program attendance requirements.

Three (3) lateness's to any class constitutes one (1) absence. If you leave a class early, it will be considered the same as lateness. Attendance credit is awarded for hours of instruction attended. Attendance credit will not be given for not being present in the classroom during instructional time. This may include, but not limited to excessive breaks, cell phone usage, etc.). There are no excused absences in Adult Education.

Program meeting times, dates, and location are subject to change without prior notice.

There is an additional charge (\$39 or \$61 (LPN) per hour or day/half-day/full-day make up rate, if applicable) for make-up and/or remediation hours if needed and applicable. This will be determined by administration. Also, a \$50 out of county residency fee will be applied to all classes, if applicable. No more than 8 hours of make-up time for a non full-time program, may be provided to student(s) depending on teacher availability.

If the student still fails to make payment by the new deadline, that student will be given a letter dismissing them from their program. After the dismissal letter is given, and the student is dismissed, if the student pays the full payment within 1 week of dismissal, they may be reinstated back into the program pending administrative review and approval.
