

**TTI Environmental, Inc.**

**Laborer / Entry Level – Construction and Contracting**

---

**Position Description:**

Laborers are essential to TTI's construction, building, demolition, and environmental remediation services. Duties include construction site preparation, care of equipment, and assistance to crew and sub-contractors as needed. All work is performed at clients' facilities, from regional to nationwide locations.

- Daily tasks are assigned, directed, and supervised by Foreman/Site Supervisor.
- Assignments are of varying complexity and under direction of a project manager and director.
- A strong work ethic, attention to safety, and willingness to be trained is needed.
- Majority of work is performed outside in all types of (reasonable) weather conditions.
- Reliable transportation to mobilization sites and ability to travel is required.
- Independent thinking, self-motivation, and initiative are essential.

**Opportunity:**

Knowledge of environmental construction and mechanical systems including demolition, remediation, tank, piping and concrete work, and project management will be gained in this position. This position offers opportunity to grow your career path with a willingness to learn and obtain various certifications.

**Job Responsibilities:**

- Prepare construction site each day by preparing materials, tools, and equipment
- Complete all assigned tasks in a timely and efficient manner
- Follow instructions and use tools and equipment properly to complete daily tasks
- Follow all health and safety regulations and PPE requirements
- Ensure construction equipment and tools are maintained and stored properly

**Qualifications/Skills:**

- Education: High School Diploma, Continued Ed in mechanical/trade school or certification a plus
- 18 years of age or older
- Strong verbal and written communication skills
- Must be able to carry up to 50 lbs. of equipment and use ladders
- Computer skills and proficiency in Microsoft Office programs including Outlook, Word, and Excel
- Mechanical ability or building construction knowledge a plus
- Ability to work independently and in a team environment

**Benefits – Compensation package includes:**

- Health, Dental, Vision, and Life Insurance
- Flexible Spending Accounts
- Matching 401(k) Retirement Plan
- Paid Safety Training
- Paid time off & holidays

**\*Required for All Candidates:**

- Expected to pass a background check, medical screening
- Valid driver's license with clean driving record
- US citizenship or legal resident status
