

SHOP ATTENDANT

Employment Opportunity:

Pro Tapping, Inc. specializes in working on live and pressurized pipelines without shutting down the piping systems or services. Inserting new valves, making new branch connections or modifying piping systems with no system downtime. We perform these services while the piping systems remain live and under working pressure-saving our customers time and money! Our services include Hot Taps, Wet Taps, Line Stops, Pipe Freezes and Valve Insertions. When faced with a no-shutdown piping situation, Pro Tapping's three decades of "Commitment To Excellence" gets the job done right. We provide our knowledge and expertise to nuclear facilities, underground and mechanical contractors, municipalities, refineries, pharmaceutical facilities, buildings, hospitals and steel mills throughout the United States. We are looking for reliable **Shop Attendants** who can perform an array of duties in a fast-paced, positive work environment. Please visit our website to find out more about us.

Job Description:

We are looking for a full-time **Shop Attendant** who is reliable, takes pride in their work and will do what it takes to get the job done right with an immediate start date.

Through on the job training the candidate will be responsible for shop upkeep, vehicle maintenance, organization, job set up, load/unload vehicles, run errands and other miscellaneous duties as assigned.

Requirements:

- Ability and willingness to work from 7:30AM to 4:30PM Monday through Friday
- Be willing to work overtime and be available for after-hour emergency services when necessary
- Ability and willingness to work in a variety of work environments including outdoors in all weather conditions
- Possess a positive "whatever it takes" attitude
- Responsible and accountable for shop operations
- Must possess a valid driver's license and be in good standing with Motor Vehicle
- Must pass drug and background check
- Construction and mechanical background with piping experience is preferred, but not required
